

Welcome and we look forward to seeing you at our practice!

Our entire team would like to welcome you to our office to care for your dental needs.

The first impression that we are attracted to is people with wonderful smiles! You've made a great choice choosing Vanguard Dental Group, and nothing is more important to an attractive smile than healthy cared-for gums and teeth. It is this kind of healthy attractive smile that we are committed to giving every one of my patients. When you become a patient you will create a partnership, which will last through the years. Our partnership is prevention oriented and dedicated to your health. We are committed to partnering with you in your care so you are always in control of your health.

Our office hours are patient oriented and we are available for emergency services as well should you ever need them. We will share with you, your treatment desires, needs and expenses in advance, as we believe in no surprises. As a courtesy we will also assist with your insurance claim filing. We are here to serve you so please do not hesitate to contact us regarding any matter as outstanding customer service is our number one goal for our patients.

We welcome new patients and look forward to serving you. We look forward to a long and healthy relationship with you, your family and friends.

Yours in good oral health,
